Welcome to Kindergarten!

Welcome to the Red Hawk Ridge Elementary School family. Thank you for registering your child for the coming school year. Going to kindergarten is one of the most exciting and important experiences in a child's life. Children will have a chance to meet new and different people, and learn how to do new and different things.

Please read the packet, complete the required forms and drop them off at the Red Hawk Ridge office. We will have a Kindergarten parent orientation night on Thursday April 26th at 6:00pm. Please bring your Kindergartner with you to this meeting.

The School Board is currently reviewing the academic calendar as well as school start and end times for the 2018 -2019. We will pass along this information at a later date.

You will also find in this packet information on:

- Required vaccinations
- Kindergarten Enrichment program information
- School Supply List
- Complete and return to office – Kindergarten AM/PM Request Form due to the front office by April 10, 2018

We look forward to meeting you and starting a partnership where, together, we inspire each child to think, to learn, to achieve and to care.

Sincerely,

Kait Whitaker
Acting Principal

Dear Kindergarten Parents,

The Colorado School Entrance Immunization Law now requires all students to provide proof of immunizations to attend school. This includes a Varicella Vaccine or a history

of chicken pox, two MMR Vaccinations and Hepatitis B which is a three dose series given over a four to six month period. If your child's immunizations are not up-to-date, please contact your doctor to get started as soon as possible. Please inform the school nurse of any missing immunizations and plans for bringing them up-to-date. Tri-County has several immunization clinics available. Their number is 303-451-0123. Please feel free to call the clinic at Red Hawk Ridge at 720-886-3806 with any further questions.

Thank you,
Jacki DeGolyer MSN, RN
School Nurse
