2018-19 MEAL PRICES

The meal prices below will be effective July 1, 2018. Several factors influence school meal prices and the increases seen below. Food costs continue to rise especially for fruits and vegetables and at the same time, meal nutrition standards, require increased portions of these foods. In order to ensure that we continue to provide high quality breakfast and lunch meals that include fruits and vegetables each day, we must increase our meal prices.

	Breakfast	Lunch
Elementary	\$1.85	\$3.00
Middle School	\$2.05	\$3.25
High School	\$2.05	\$3.25
Adult	A la carte prices	\$4.05
