A NOTE FROM THE PRINCIPAL

Dear Red Hawk Ridge Families,

Last Friday a letter from the Cherry Creek School District went home to our A, B and D Track families updating our community about the process of Red Hawk Ridge going off of the current 4-Track Calendar. C Track will receive the letter the week they track back on. This letter is attached to the Email Blast and can be accessed online at: <http://redhawkridge.cherrycreekschools.org/Documents/Calendar%20Change%20on%20Letterhead.pdf>

I wanted to reiterate the process:

- The Cherry Creek Long Range Facility Planning Committee has recommended that Red Hawk Ridge move off of the 4-Track calendar.
- The Board of Education will vote on the recommendation to be placed on a traditional calendar for the 2016-17 school year at the Board Meeting on December 14, 2015. The Traditional Calendar can be accessed at <http://cherrycreekschools.org/Calendars/20162017%20Calendars/2016-2017%20Traditional%20Calendar.pdf>
- The School District and I will communicate the approval with the Red Hawk Ridge community once the decision has been made in December.
- Red Hawk Ridge will be listed on the 4-Track calendar until the official approval has been made by the Board of Education.

Please, if you have any questions contact me or the front office at 720-886-3800.

Sincerely,

Mike Wurdeman

News from the Clinic

It is that time of year when the weather changes, asthma and allergies flare up, and most people are inside. Please remember to send your child with a winter coat to school as our weather can change moment to moment. HAND WASHING and avoiding touching the T ZONE (eyes, nose, and mouth) is your best defense against these germs. Remind your kids to cover their sneezes and coughs with their sleeve and to wash their hands afterwards. The stomach virus has been hitting us hard this year as a community, so please remember to get your flu shot.

As the holidays approach; try to get your family out of the house more. Doing family walks in the morning or after dinner. Gather the neighbors and do family football. Try using smaller plates to serve Thanksgiving dinner and encouraging drinking water during the meals.

Happy Holidays and stay healthy!
