24 HOUR
ATTENDANCE
LINE
720-886-3895

Please remember when your student is going to be absent or late, **you are required to call the attendance line by 8:45 am!** This is a 24 hour open line.

Letting the teacher know is considerate, calling the attendance line is a requirement!

Dear Red Hawk Ridge Community,

I want to take a moment and welcome back our A, C and D Track students. B Track we look forward to seeing you next week. I hope each of you had a wonderful break. Even though I was only off for a week, I was able to take a road trip up to Calgary, Canada and Banff National Park. It is beautiful and I actually saw a grizzly bear.

July 24, 2015

On a more serious note, as we start the year it always important to

remind students of afterschool safety. Teachers are talking to students about:

- *Having a plan of how they are getting home every day (bus, parent, neighbor, etc.)
- *Never talk with strangers or to get into the car of a stranger.
- *Report any incident to an adult as soon as possible.
- *For primary students to stay close to a teacher until they are picked up.

We ask parents to let us know as soon as possible as to any change of the afterschool routine. Please do not call the classroom teacher but the main office at 720-886-3800. Teacher's phones will not ring through until after the school day ends.

Please let me know if you have any questions.

Please let me know if you have any questions.

Here is to a great 2015-2016 School Year!

On-line Check In - This process is **MANDATORY**

The Cherry Creek School District requires each family to update their student information at the beginning of every school year, as well as any time information changes. You can register and/or login to the system beginning June 30th at: <https://my.cherrycreekschools.org>

Parents who already registered to use the system in the 2013-2014 school year will use the same username and password for 2014-

Mandatory Check In

2015. Parents can update/change their password at <https://my.cherrycreekschools.org>

New parents to CCSD will need to create a username and password to use the system by registering at the Internet address above. To register, parents should have the following information available: *Parent First and Last Name, Birthdate and Student ID* for at least one of their children, and a *Personal Email Address*. Spelling for all personal information must be accurate. Student ID Numbers can be found on original Admissions documents as well as your child's final report card.

Due to safety and legal requirements, it is mandatory that you complete this process prior to your student's first day of school.

Please call the school office if you need additional assistance at 720-886-3800.

Year 2023-2024
Please call the school office if you need additional assistance at 720-886-3800.

Thank you for your help in keeping your student's information up-to-date.

Notes from the Clinic

Hi Everyone!

Welcome back! Hope you all had a fun and safe summer. As we start up the new school year there are some things we want to remember: Fill out all the forms online so we can keep your child as safe and healthy as possible; any kids with asthma/ severe allergies need to be prepared by having their emergency medications in the clinic and at home as well as a doctor's order (forms you can print online); and it has been really hot recently so remember to stay hydrated and protect your skin by wearing sunscreen. Also please set the example by everyone in your family wearing helmets. Make it the new in fashion statement by decorating helmets with fun colors or stickers.

PARENTS: We have our vision and hearing screenings coming up. If you are interested in helping out please let me know and I will give you more information. Also I could always use help in the clinic from parents. Things I need help with are: organizing papers and health folders, labeling pockets for all the medication, and putting data into the computer systems. IF you are cleaning out your kids old clothes, please think of donating them to us. They need to be washed prior to being donated, but I can use old shoes for girls and boys, pants, shorts, dresses, skirts, p.j. pants, socks, and underwear. And thank you for all you do as parents and as community members.

Please also make sure your child's immunizations are up-to-date (5 DTAP, 4 Polio, 3 Hep B, 2 MMR, and 2 VAR/Chicken pox). If you have any questions or need any resources for getting immunizations please visit me in the clinic. Also if your child does not have health insurance please see me for resources! I am looking forward to another wonderful and safe year!!

PTCO News -

Join us for our first **PTCO meeting** of the new school year! **Tuesday, July 28, 6pm.** We meet in the STEM room. Some of the topics we will be covering for this meeting are: A new school app that will send you text reminders of upcoming events and notices, The fall Carnival (August 28), a budget and treasury update, and any new ideas / interests/concerns from our parent body. These meetings are a great way to meet other parents in the school and be part of your child's education.

From the Art Studio and STEM Room!

Marsh are collaborating to create a fantastic light wall sculpture for our library. The sculpture is inspired by the work of Jason Rogenes. You can view some of his work at the link below.

We will create the work out of recycled Styrofoam and light strips. We are looking for donations of intact Styrofoam. Larger pieces are better. The session will run from 8/21 - 9/18. You may drop off donations to the Art Studio or the STEM room.

Thank you for your support of integrated technology and art!
